Important issues to be covered:

1. Photos/Images should be optimized on upload, resized and Crop option should be given.
2. Gallery should be our own. Independent of other website. E.g. Flickr.
3. Files should be deleted from server after deletion from Admin Panel.
4. Priority field is compulsory to officer's profile.
5. Central Admin should be able to change password of admin panel.
6. Online Complaint option must have SMS OTP Verification like Satara Police.
7. All the forms should have Google captcha.
8. Site should be developed considering all the possible cyber-attacks and previous security audit report of Satara Police to avoid Website Hack and Security Audit Bugs.
9. Website should be GIGW (Guidelines for Indian Government Website) compliance.
